

In 1999, a group of shopkeepers in downtown Boerne united to create a Christmas event that would bring the community together, promote local shopping and celebrate the holidays with old-fashioned traditions and favorites. Now, 20 years later, Dickens on Main has become the Hill Country's premiere two-day holiday event, transforming the Hill Country Mile into a vintage Christmas wonderland, complete with five villages, beautiful holiday lights, snow along Main street and an entertainment lineup sure to delight the whole family.
